Revision & inspiration

We visualize your data through possible upload.

We check their effectiveness and inform you about their accuracy.

We look for inspiration on the basis of you precise request and select some themes to put forward.

We invite you to discuss together our suggestions at our offices or online.

We wait your confirmation before continuing.

Drafts & Integration

We dwell on every single element which the design is made up of.

We create drafts based on the selected themes.

We choose graphic references, colours, nuances and visual details carefully.

We send a screenshot or we wait for your visit at our offices.

We wait your confirmation before continuing.

Details & finalization

We define and finalise the project.

We present the final project through a screenshot or we look forward to your visit at our office.

We make the changes suggested by you, and we deal with the printing if it is required.

We wait your confirmation before continuing.

We conclude the contractual phase.

WE DELIVER THE FINAL PROJECT.
